

Miss Missouri Contestants and Local Directors,

I am happy to announce the swimsuit provider for Miss Missouri Pageant Production 2018 will be VENUS. It is our hope that this alternative will provide you with additional options, alleviate last minute stress and cost you less. In addition to the Miss Missouri suits being available immediately and delivered to your home, they will be less expensive than in years past! You will be able to have them in hand and make any necessary alterations early.

Each contestant will be responsible for ordering her own swimsuit from the attached list of choices in BLACK. There are 3 tops, 2 bottoms and a 1-piece from which to choose so every girl will have plenty of choices. These are the ONLY pieces that you may choose from and BLACK is the only color, no exceptions. There are 3 pages in the attachment: page 1 is photos of the suit pieces, page 2 is a description of each piece and page 3 is a size chart to help you with sizing.

Here is how you get yours: Simply go to the VENUS website at <https://www.venus.com/swimwear.aspx> and place your order. The VENUS floor manager has assured me that there are plenty of these assigned pieces available and they will continue to be available until the end of February. With Spring Break orders usually coming in heavily in March, you will obviously want to be sure and have yours ordered and in hand as soon as possible, before the Spring Break Rush and NO LATER than the end of February. You are responsible for getting your own suit, so don't wait until the last minute. There will be no exceptions made for suit or pieces that are not on the list. **IT IS IMPORTANT THAT YOU ORDER YOUR SWIMSUIT AS SOON AS POSSIBLE TO AVOID ANY PROBLEMS.** Every contestant should have their swimsuit ordered and at home before March 1. *Directors, please help us make sure this is taken care of. If you have a late program date, you might want to have your contestant order hers the night she is crowned. Thanks!*

If you choose to have your suit altered for a better fit, that will be up to you as long as you don't interfere with the integrity of the suit or the design.

If you have any questions, please contact Lorin Lewis at studiobrookhaven@gmail.com or text 601-757-7938.

I am SO EXCITED about our production this year – I believe you will LOVE IT!!!

Thank you all,

Lorin Lewis, Producer
