

Parade Information

Don't forget to wear sunscreen!

The parade will be on Saturday morning, June 15 at 10am. Princesses will ride in the parade the entire time with their contestant. Princesses should wear rompers, skorts, nice shorts or sundresses (with shorts underneath). No designated "outfit" will be required during the parade—but this could be a fun opportunity to coordinate attire with your contestant! PLEASE wear your sash and tiara. They should wear flip flops or shoes that are easy to slip off. Car owners are volunteering their time and vehicle, some owners may ask you to take off your shoes as your climbing in and out of their convertible.

The lineup for the parade will be in the West Plaza Parking lot (beside Westlake's and behind Gordmans). Please arrive between 9:30 and 9:45 as the parade starts at 10:00 sharp. The cars are lined up separately divided by the Miss (Alpha/Sigma) section and the Miss Outstanding Teen (Crown/Sash) section. You will leave your child with her big sister at their sign specific car and then you may go downtown to pick your spot for the parade. The parade will end at the Old Pearl Motor Company parking lot at Jefferson and Monroe with an autograph/photo session with all the Miss Contestants and Miss Outstanding Teen Contestants. **ALL PARENTS are asked to meet their little girl at the end of the parade route and stay with them during the duration of their time downtown.**

The parade is a fun slow moving procession and many of the girls will receive flowers and gifts, etc. during this time. I would like to ask you all to refrain from giving balloons during the parade as they fly around and make it difficult to see the girls for photos and also can compromise the drivers view if they are flying around. If you give balloons, please give them after they exit the cars at the autograph session.
