

Princess Production Information

All princesses (regardless of group) will perform a group production number on Friday and Saturday evening of the pageant. The production number will be performed immediately after intermission.

To commemorate the 50th anniversary, the production number will be party themed!

We will have very little time to practice your production routine on stage (refer to schedule). We are expecting you to know your dance routine BEFORE pageant week.

Costume:

You will receive a t-shirt, tutu and hair bow in your welcome bag. Your t-shirt will have the Miss Missouri 50th logo in gold glitter. You may wear your hair however you would like, but please have your bow visible. Bows must go in your hair. Stud earrings are appropriate. Please no dangles. YOU will need to pack white shorts to wear underneath your tutu and white Ked-Like shoes with no-show socks.

Examples of costumes:
